INTRODUCTION

We are a certified Small Disadvantaged Woman-Owned Business offering a full array of professional cleaning services to the private and public sector throughout the Northern Virginia and the Shenandoah Valley.

Whether you require one cleaner or a dozen cleaners, we customize individual solutions for your business while meeting your budget requirements.

exceeding

SUPERIOR CLEANING SERVICE

We understand importance of welcoming your clients and visitors to a professional, pristine environment. A safe and clean environment is a must for any business. Quality cleaning eradicates poor hygiene, protects and motivates employees and creates the right atmosphere for your customers.

With a trained network of staff we are fully experienced and responsive to new demands to provide your organization with the highest quality service from the beginning.

QUALITY CONTROL

We understand the importance of good Communication. On-site client assessments, frequent spot checks and customer surveys keep us informed and updated on how well we are performing to ensure standards are maintained.

OUR COMMITMENT TO EXCELLENCE

FeatherDusters, Inc. is fully insured and provides full liability and property damage coverage. For your safety and protection, all employees are subjected to background checks, bonded and professionally trained. We also offer 24 hour customer assistance, should an emergency require immediate action.

expectations

The Next Step...

Call our Sales Office to schedule a meeting with our representative to visit your site free of charge to:

- Discuss and assess your requirements.
- Submit for your consideration and approval a cleaning program suited to your requirements.
- Provide a competitive cost proposal.
